musical club  
of winnipeg

## Scholarship Winners

The WMC Scholarship Fund (first established in 1915) awards scholarships annually to Manitoba students pursuing a career in music.

Applications are invited from senior music students and applicants are selected to perform at auditions which are held in the spring.

Adjudicators are drawn from the ranks of professional musicians and teachers.

The Scholarship winners are presented in our series of concerts. The students value the opportunity to increase their performance experience, and this concert is a perennial favourite with our subscribers and also the general public.
